5. Notification No. Rl. 24—R. A. 26-32-38, dated 11th July 1933, publishing the revised calendar of events for the conduct of elections to the Representative Assembly and the Legislative Council to be held on 3rd March 1934, and directing that the electoral rolls already prepared and published shall continue to be in force and that there is no necessity for the preparation of fresh rolls.

ORDER NO. RL. 130-142—R. A. 7-33-4, DATED BANGALORE, THE 23RD OCTOBER 1933.

It was urged at the last Dasara Session of the Representative Assembly that as the electoral rolls were prepared and published in March 1933, and that as many changes have taken place subsequently, it is necessary to revise and republish the rolls. Government do not consider it necessary to prepare fresh electoral rolls as it involves unnecessary labour and expenditure. They are, however, of the opinion that an opportunity may be given to parties interested to get the rolls already prepared and published amended by filing claims and objections. Claims and objections in this behalf will be entertained by the revising authorities concerned and dealt with according to the rules in this respect. In deciding upon claims and objections, the revising authorities will recognize the possession of the requisite qualification on the date of this order as entitling a person to the inclusion of his name in the rolls.

A separate notification will issue containing necessary instructions in the matter and also prescribing the revised calendar of events.
